J. OLD BUSINESS

1. Update Regarding Lennar Expansion Project - (this item was discussed prior to agenda item I.1.)

Mrs. Perez informed the District Board of Supervisors (the "Board") that Mr. Silva and herself had communicated with Mr. Angel Rodriguez and Ms. Maria C. Herrera ("Lennar Staff") of Lennar Homes LLC ("Lennar") regarding the counteroffer requested by "the Board" (accepting the \$60,000 offer from Lennar, only if Lennar agreed to coordinate all of the Entrance Improvement Projects (landscaping improvements along NW 179th Lane and 87th Avenue and the refurbishing of the entrance monument features) in their entirety; from planning, to permitting, engagement of contractors and professionals, scheduling of work, through completion of work), after which Lennar Staff had initially agreed with the request made by the Board and had started the agreement negotiations based on the Board's direction. Mrs. Perez then explained that late this afternoon, Ms. Herrera (Sr. Land Acquisition Manager for Lennar) had called her to explain that Lennar cannot

abide by the requests made by the Board. As a result, Mrs. Perez recommended that Ms. Herrera call in to the meeting so that she can negotiate directly with the Board and address any questions or concerns the Board may have.

At approximately 7:23 p.m., Ms. Herrera joined the meeting via conference call.

Ms. Herrera greeted the Board and explained her role within Lennar. She then stated that the reason why the counteroffer made by the Board had been declined was due to Lennar's Staff time constraints. In addition, coordination of certain aspects of the Entrance Improvement Project, such as the landscape design plans, would be easily done with communication between the contractor and the District, instead of with Lennar Staff. In return, Lennar would provide permit running services in order to facilitate the permitting process with Miami-Dade County (the "County"),as well as providing the District with guidance as needed and providing Lennar's vender list with Lennar's rates.

Mr. Ruiz asked Ms. Herrera, "How did Lennar calculate \$60,000 as the total amount of funding to be provided to the District for the Entrance Improvements Project?" Ms. Herrera responded by stating that rough calculations were made by Lennar's staff, based upon the removal and replacement of the royal palms with live oaks along the median located along NW 179th Lane.

At approximately 7:50 p.m., Mr. Fernandez excused himself from the meeting.

Mr. Farhan stated that he would like to see these requests in the form of an agreement after which District Counsel Ginger Wald explained that an annexation agreement had been drafted prior to the meeting and was ready to present before the aforementioned information from Lennar had been provided. Mr. Farhan also asked Ms. Herrera what the result of the Board not approving the annexation process would mean to Lennar after which Ms. Herrera responded that Lennar has other options available, such as creating their own community development district and that the offer of \$60,000 from Lennar to the District is not an obligation or requirement per the County. Annexing the Turquesa community into the District will add approximately \$20,000-\$30,000 to the District fund balance (per year), which will be produced from assessing the Turquesa townhome units for Operations & Maintenance expenses associated with the maintenance of public infrastructure within the District (debt assessments will not change for the original units and the expansion units as a result of the annexation). If the District declines the offer from Lennar, the District will lose the opportunity for an external source of funding for the Entrance Improvements Project.

Pursuant to lengthy discussions and addressing inquiries from the public and the Board, District Counsel Wald recapped, that Lennar is agreeing to the following: to pay \$60,000 to the District for Improvements, provide permitting services with the County for the Improvements plans, provide the names and contact information for Lennar's vendors, contractors and design professionals for Improvements by the District and provide the District with the schedule of work by Lennar to coordinate the construction of the monument improvements with Lennar's contractors.

The District will receive the funds from Lennar after the approval of the annexation so that the District may begin the process of hiring the necessary professionals to commence the planning stages

of the Entrance Improvements Project and in order to proceed with the construction of the Improvements.

There being no further questions from the Board, they thanked Ms. Herrera for her time and she dropped off the conference call (at approximately 7:58 p.m.). A discussion ensued after which the majority Board consensus was to accept the \$60,000 offer from Lennar thus allowing Lennar to commence all necessary procedures in order to allow Turquesa to be annexed into the District, thereby directing District Counsel to move forward with the Annexation Agreement process

2. Update Regarding Broken Sidewalk at Dry Retention Area

This item was tabled until the next meeting.
